Attention Certificate of Correction Branch
Commissioner for Patents

Alexandria, VA 22313-1450

Sir:

A Certificate of Correction is requested to be issued correcting printing errors appearing in the above-identified United States patent. Two copies of the text noting the corrections for the Certificate are enclosed. Since none of the errors listed are due to Applicants' mistake, no fee is necessary for the Certificate. The corrections in the proposed Certificate of Correction do not involve such changes in the patent as would constitute new matter or would require reexamination.

We have reviewed the patent term adjustment of 976 days stated in the Issue Notification and on the face page of the above-identified patent, and have determined that it should reflect a 943 day adjustment. There was a patent adjustment debit of 33 days that appears to have been overlooked by the United States Patent and Trademark Office.
